SUBJECT: EL SALVADOR: ANNUAL DECLARATION FOR HCOC

REF: STATE 64317

(SBU) Poloff again followed up on reftel A demarche on May 31 to determine if the GOES had submitted its Annual Report to the Immediate Central Contact for the Hague Code of Conduct Against Ballistic Missile Proliferation (HCOC). MFA Chief of Multilateral Affairs Mario Rivera reported that the GOES had not submitted their report, though the MFA was engaged on the issue. He reported that due to bureaucratic delays, their Ministry of Defense had still not returned the paperwork necessary for them to submit the report. He said they were aware that HCOC meetings are currently taking place, and hoped to submit their Annual Report by COB on May 31 or early on June 1, before the meetings adjourn.
